Los Angeles, California 90012

SUBJECT:

**TENTATIVE PARCEL MAP NO. 062944** 

Northeast of the intersection of Sierra Highway and Hypotenuse Road

The subject project is scheduled for a Public Hearing before the Hearing Officer of Los Angeles County on August 21, 2007.

Please have the materials listed below available to the public through August 31, 2007.

If you have any questions regarding this matter, please contact Josh Huntington of the Land Divisions Section of the Department of Regional Planning at (213) 974-6433.

Thank you.

Planning for the Challenges Ahead

# NOTICE OF PUBLIC HEARING FOR PROPOSED LAND DIVISION NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION irrector of Planning

#### **TENTATIVE PARCEL MAP NO. 062944**

Notice is hereby given that a Hearing Officer of Los Angeles County will conduct a public hearing concerning this proposed land development on Tuesday, August 21, 2007, at 9:00AM, in Room 150, Hall of Records, 320 West Temple Street, Los Angeles, California 90012. The doors will open at 8:30AM. Interested persons will be given an opportunity to testify.

A Mitigated Negative Declaration has been prepared for this project. The draft environmental document concludes that the project design and/or suggested conditions will adequately mitigate the impacts of the proposed development to a level of no significance. Notice is hereby given that the County of Los Angles will consider a recommendation to adopt a Mitigated Negative Declaration.

**Project description:** The Parcel Map proposes to create four (4) single-family parcels on a 20.9 gross acre property. The triangular-shaped subject property is currently vacant, except for a small telecommunication facility shed near the southeast corner of the property.

**Project location**: The property is located northeast of the intersection of Sierra Highway and Hypotenuse Road, within the unincorporated community of Acton and in the Soledad Zoned District of Los Angeles County.

This project does not affect the zoning of surrounding properties. If you are unable to attend the public hearing but wish to send written comments, please write to the Department of Regional Planning at the address given below, Attention: Josh Huntington. You may also obtain additional information concerning this case by phoning Josh Huntington at (213) 974-6433. Callers from North County areas may dial (661) 272-0964 (Antelope Valley) or (661) 253-0111 (Santa Clarita) and then ask to be connected to (213) 974-6433. Public service hours: 7:30 a.m. to 6:00 p.m., Monday through Thursday. Our office is closed on Fridays.

If the final decision on this proposal is challenged in court, testimony may be limited to issues raised at the public hearing or by written correspondence delivered to the Hearing Officer at or prior to the public hearing.

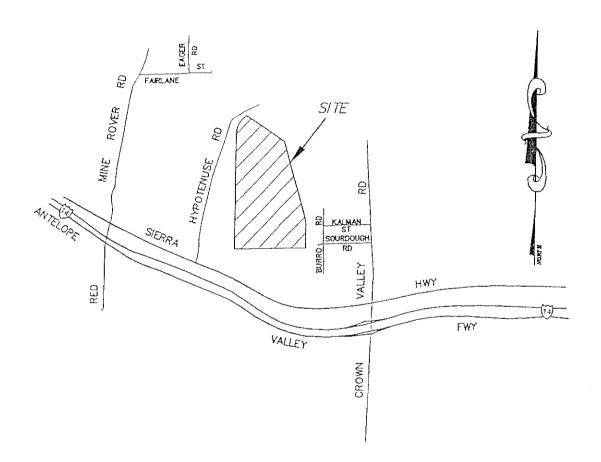

Case materials are available for inspection during regular working hours at the Department of Regional Planning, Land Divisions Section, Room 1382, Hall of Records, 320 West Temple Street, Los Angeles, California 90012; Telephone (213) 974-6433. Public service hours: 7:00 a.m. to 5:30 p.m., Monday through Thursday. **Our office is closed on Fridays**. These materials will also be available for review beginning July 21, 2007 at the Palmdale City Library located at 700 E Palmdale Blvd, Palmdale, CA 93550 (661) 267-5600. Selected materials are also available on the Department of Regional Planning website at <a href="http://planning.lacounty.gov">http://planning.lacounty.gov</a>.

BRUCE W. McCLENDON, FAICP Planning Director

"ADA ACCOMMODATIONS: If you require reasonable accommodations or auxiliary aids and services such as material in alternate format or a sign language interpreter, please contact the ADA (Americans with Disabilities Act) Coordinator at (213) 974-6488 (Voice) or (213) 617-2292 (TDD), with at least three business days notice".

"Este es un aviso de una audiencia publica de acuerdo al Decreto de la Protección del Medio Ambiente de California. El proyecto que se considera por el Condado de Los Angeles es una propuesta para crear 4 lotes de familia singular en 20.9 acres total. La audiencia publica para considerar el proyecto se llevará acabo el 21 de agosto de 2007. Si necesita mas información, o si quiere este aviso en Español, favor llamar al Departamento de Planificación al (213) 974-6466."

### VICINITY MAP

#### DEPARTMENT OF REGIONAL PLANNING TENTATIVE PARCEL MAP NO. 062944

#### **DRAFT CONDITIONS:**

1. Conform to the requirements of Title 21 of the Los Angeles County Code ("County Code"), including the requirements of the A-1-2 and A-2-2 zones.

Map Date: January 10, 2007

- 2. Label the driveways as "Private Driveway and Fire Lane" on the final map.
- 3. Submit a copy of the project Covenants, Conditions and Restrictions ("CC&Rs"), or any other maintenance agreement, to the Los Angeles County Department of Regional Planning ("Regional Planning") for review and approval.
- 4. Post the shared driveways as "No Parking" and provide for its continued enforcement in the CC&Rs or maintenance agreement. Submit a copy of this document to be recorded to Regional Planning prior to final map approval.
- 5. Provide in the CC&Rs or maintenance agreement a method for the continual maintenance of the common areas, including the driveways to the satisfaction of Regional Planning. Submit a copy of the document to be recorded to Regional Planning prior to final map approval.
- 6. Record reciprocal easements to grant access over the shared driveways. Provide a copy of the draft easements to Regional Planning prior to final map recordation.
- 7. In accordance with Section 21.32.195 of the County Code, the Subdivider or successor in interest shall plant or cause to be planted at least one (1) tree of a non-invasive species within the front yard each residential parcel for a minimum total of four (4) trees. The location and the species of said trees shall be incorporated into a site plan or landscape plan. Prior to final map approval, the site/landscaping plan shall be approved by Regional Planning, and a bond shall be posted with Public Works or other verification shall be submitted to the satisfaction of Regional Planning to ensure the planting of the required tree.
- 8. A final parcel map is required. A waiver is not allowed.
- 9. The Subdivider shall defend, indemnify and hold harmless the County of Los Angeles ("County"), its agents, officers, and employees from any claim, action or proceeding against the County or its agents, officers, and employees to attack, set aside, void or annul this parcel map approval, or related discretionary approvals, whether legislative or quasi-judicial, which action is brought within the applicable time period of the Government Code Section 65499.37 or any other applicable time period. The County shall promptly notify the Subdivider of any claim, action or proceeding and the County shall cooperate fully in the defense. If the County fails to promptly to notify the

Subdivider of any claim, action or proceeding, or the County fails to cooperate fully in the defense, the Subdivider shall not thereafter be responsible to defend, indemnity, or hold harmless the County.

- 10. In the event that any claim, action or proceeding as described above is filed against the County, the Subdivider shall within ten days of the filling pay Regional Planning an initial deposit of \$5,000.00 from which actual costs shall be billed and deducted for the purpose of defraying the expense involved in the department's cooperation in the defense, including but not limited to, depositions, testimony, and other assistance to the Subdivider, or the Subdivider's counsel. The Subdivider shall pay the following supplemental deposits, from which actual costs shall be billed and deducted:
  - a. If during the litigation process, actual costs incurred reach 80 percent of the deposit amount, the Subdivider shall deposit additional funds to bring the balance up to the amount of the initial deposit. There is no limit to the number of supplemental deposits that may be required prior to the completion of the litigation.
  - b. At the sole discretion of the Subdivider, the amount of the initial or supplemental deposit may exceed the minimum amounts defined herein.

The cost for collection and duplication of records and other related documents will be paid by the Subdivider according to the County Code Section 2.170.010.

Except as modified herein above, this approval is subject to all the conditions set forth in the attached mitigation monitoring program and the attached reports recommended by the Los Angeles County Subdivision Committee.

#### DESCRIPTION OF SITE PLAN

The Tentative Parcel Map dated January 10, 2007, depicts a subdivision of four (4) single-family parcels on a 20.9 gross acre property. The triangular-shaped subject property is currently vacant, except for a small telecommunication facility shed near the southeast corner of the property. The northerly two parcels (parcel 1 and parcel 2) will both be accessed off of Hypotenuse Road, via a 20-foot wide private driveway. The southerly two parcels (parcel 3 and parcel 4) will both be accessed off of Sierra Highway, via a 20-foot wide private driveway.

#### KEY ISSUES

- A slope density analysis shows that the subject property contains slopes that are steeper than 25%. However, a Conditional Use
  Permit for Hillside management is not required in this case since the proposed density (four parcels) is below the minimum threshold of
  five (5) units that would require a Conditional Use Permit
- PM062944 is a resubdivision of PM25036. The proposed density of PM062944 does not exceed the low density threshold for a
  Conditional Use Permit (CUP) both within it's own boundaries and within the underlying subdivision (PM25036) as a whole.
- While the topography of the site is sloped and grading will be required to build houses on this site, no grading is proposed at this time. All proposed grading will be reviewed when future development is proposed.

TENTATIVE MAP DATED 01-10-2007 EXHIBIT "A" MAP DATED 01-10-2007

The following reports consisting of 9 pages are the recommendations of Public Works.

The subdivision shall conform to the design standards and policies of Public Works, in particular, but not limited to the following items:

- Details and notes shown on the tentative map are not necessarily approved. Any
  details or notes which may be inconsistent with requirements of ordinances, general
  conditions of approval, or Department policies must be specifically approved in
  other conditions, or ordinance requirements are modified to those shown on the
  tentative map upon approval by the Advisory agency.
- 2. Easements are tentatively required, subject to review by the Director of Public Works to determine the final locations and requirements.
- 3. Easements shall not be granted or recorded within areas proposed to be granted, dedicated, or offered for dedication for public streets, highways, access rights, building restriction rights, or other easements until after the final map is filed with the Registrar-Recorder/County Clerk's Office. If easements are granted after the date of tentative approval, a subordination must be executed by the easement holder prior to the filing of the final map.
- In lieu of establishing the final specific locations of structures on each lot/parcel at this time, the owner, at the time of issuance of a grading or building permit, agrees to develop the property in conformance with the County Code and other appropriate ordinances such as the Building Code, Plumbing Code, Grading Ordinance, Highway Permit Ordinance, Mechanical Code, Zoning Ordinance, Undergrounding of Utilities Ordinance, Water Ordinance, Sanitary Sewer and Industrial Waste Ordinance, Electrical Code, and Fire Code. Improvements and other requirements may be imposed pursuant to such codes and ordinances.
- 5. All easements existing at the time of final map approval must be accounted for on the approved tentative map. This includes the location, owner, purpose, and recording reference for all existing easements. If an easement is blanket or indeterminate in nature, a statement to that effect must be shown on the tentative map in lieu of its location. If all easements have not been accounted for, submit a corrected tentative map to the Department of Regional Planning for approval.
- 6. Quitclaim or relocate easements running through proposed structures.

TENTATIVE MAP DATED <u>01-10-2007</u> EXHIBIT "A" MAP DATED <u>01-10-2007</u>

- 7. Adjust, relocate, and/or eliminate lot lines, lots, streets, easements, grading, geotechnical protective devices, and/or physical improvements to comply with ordinances, policies, and standards in effect at the date the County determined the application to be complete all to the satisfaction of Public Works.
- 8. Delineate proof of access to a public street on the final map.
- 9. The following note shall be placed on all tract and parcel maps with lot sizes of five acres or more: "Further division of this property to lot/parcel sizes below five acres will require standard improvements be completed as a condition of approval. The improvements will include but not limited to providing access, installation of water mains, appurtenances and fire hydrants, and conformance to standard Los Angeles County development standards."
- 10. Label driveways and multiple access strips as "Private Driveway and Fire Lane" and delineate on the final map to the satisfaction of Public Works.
- 11. Reserve reciprocal easements for drainage, ingress/egress, sewer, water, utilities, right to grade, and maintenance purposes, etc., in documents over the common private driveways to the satisfaction of Public Works.
- 12. Extend lot lines to the center of private and future streets or provide separate lots for the private and future streets.
- 13. Grant ingress/egress and utility easements to the public over the private and future or future streets.
- 14. A final parcel map must be processed through the Director of Public Works prior to being filed with the Registrar-Recorder/County Clerk's Office.
- 15. Prior to submitting the parcel map to the Director of Public Works for examination pursuant to Section 66450 of the Government Code, obtain clearances from all affected Departments and Divisions, including a clearance from the Subdivision Mapping Section of the Land Development Division of Public Works for the following mapping items; mathematical accuracy; survey analysis; and correctness of certificates, signatures, etc.

COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
LAND DEVELOPMENT DIVISION – SUBDIVISION

- 16. If signatures of record title interests appear on the final map, a preliminary guarantee is needed. A final guarantee will be required. If said signatures do not appear on the final map, a title report/guarantee is needed showing all fee owners and interest holders and this account must remain open until the final parcel map is filed with the Registrar-Recorder/County Clerk's Office.
- 17. Within 30 days of the approval date of this land use entitlement or at the time of first plan check submittal, the applicant shall deposit the sum of \$2,000 (Minor Land Divisions) or \$5,000 (Major Land Divisions) with Public Works to defray the cost of verifying conditions of approval for the purpose of issuing final map clearances. This deposit will cover the actual cost of reviewing conditions of approval for Conditional Use Permits, Tentative Tract and Parcel Maps, Vesting Tentative Tract and Parcel Maps, Oak Tree Permits, Specific Plans, General Plan Amendments. Zone Changes, CEQA Mitigation Monitoring Programs and Regulatory Permits from State and Federal Agencies (Fish and Game, USF&W, Army Corps, RWQCB, etc.) as they relate to the various plan check activities and improvement plan designs. In addition, this deposit will be used to conduct site field reviews and attend meetings requested by the applicant and/or his agents for the purpose of resolving technical issues on condition compliance as they relate to improvement plan design. engineering studies, highway alignment studies and tract/parcel map boundary, title and easement issues. When 80% of the deposit is expended, the applicant will be required to provide additional funds to restore the initial deposit. Remaining balances in the deposit account will be refunded upon final map recordation.

Park Planning Area # 43B AGU

AGUA DULCE / ACTON

Map Type:REV. (REV RECD)

The formula for calculating the acreage obligation and or In-lieu fee is as follows:

(P)eople x (0.003) Goal x (U)nits = (X) acres obligation

(X) acres obligation x RLV/Acre = In-Lieu Base Fee

Where: P =

Estimate of number of People per dwelling unit according to the type of dwelling unit as determined by the 2000 U.S. Census\*. Assume \* people for detached single-family residences; Assume \* people for attached single-family (townhouse) residences, two-family residences, and apartment houses containing fewer than five dwelling units; Assume \* people for apartment houses containing five or more dwelling units; Assume \* people for mobile homes.

Goal =

The subdivision ordinance allows for the goal of 3.0 acres of park land for each 1,000 people

generated by the development. This goal is calculated as "0.0030" in the formula.

11 =

Total approved number of Dwelling Units.

X =

Local park space obligation expressed in terms of acres.

RLV/Acre =

Representative Land Value per Acre by Park Planning Area.

Total Units

4

= Proposed Units

Russ Guiney, Director

March 12, 2007

#### NOTICE OF TRAIL REQUIREMENT FOR TRACT MAPS AND PARCEL MAPS

Tentative Parcel Map #: 62944 Date on Map: January 10, 2007 No County trail required. However, a Santa Clarita Trails Advisory Committee Trail does cross a future street easement and road easement that is granted to the Applicant by the adjacent property owner. The Applicant currently does not plan to improve said street and road easements and will allow it to remain unpaved. Therefore the map is approved with the following condition: If the Applicant does construct an all weather access road in the future for Х the street easement or road easement, than such road improvements would be subject to the Department of Parks and Recreation's Trails Standards. Dedications and the exact following language should be shown for trail dedications on the first phase of final map. Title Page: We hereby dedicate to the County of Los Angeles a 20 foot wide trail easement for riding and hiking purposes. IF A WAIVER IS FILED, A PLAT MAP DEPICTING THE TRAIL MUST X ACCOMPANY THE WAIVER.

For any questions concerning trail alignment or other trail requirements, please contact Robert Ettleman at (213) 351-5134. Your compliance to this request is appreciated

March 7, 2007

RFS No. 07-0003806

Parcel Map No. 062944

Vicinity: Big Mountain Ridge

Tentative Parcel Map Date: January 10, 2007 (2<sup>nd</sup> Revision)

The County of Los Angeles Department of Public Health has no objection to this subdivision and **Vesting Tentative Parcel Map 062944** has been cleared for public hearing. The following conditions still apply and are in force:

- 1. **Prior to installation of any septic system**, a more detailed analysis, including site inspection by the Department will be completed in accordance with the Los Angeles County Plumbing Code and the Los Angeles County Health and Safety Code. Any factors that may influence the efficient operation of the private sewage disposal systems will be evaluated. The fast percolation rates discovered on parcels 2 and 3 requires enhanced treatment systems.
- 2. Public sanitary sewers are not available within 200 feet of any part of the proposed subdivision and each parcel is dependent upon the use of individual private sewage disposal systems.
- 3. In the event that the requirements of the plumbing code cannot be met on certain parcels, due to future grading or for any other reason, the County of Los Angeles Department of Public Health will deny issuance of a building permit for the construction of homes on these parcels.
  - 4. Potable water will be supplied by the **Los Angeles County Water Works District #37**, a public water system, which will provide water connection and service to all parcels. The "will serve" letter from the water company has been received and approved.

If you have any questions or need additional information, please contact me at (626) 430-5380.

Respectfully,

Becky Valenti, E.H.S. IV
